PETITIONING THE COURT

To modify the conditions of supervision as follows:

The defendant shall reside and participate in a Residential Re-Entry Center for a period of up to 180 days; said placement shall commence on October 13, 2012, pursuant to 18 USC 3563(b) (11). The defendant shall pay the cost of confinement as determined by the Bureau of Prisons.

Justification: The defendant is currently residing at the Oakland Geo Care Residential Re-Entry Center (RRC) as a prereleasee and is requesting to remain at the RRC upon his release from custody. He is currently employed and his plan is to save enough money to secure his own residence and remain in the Northern District of California. He does not expect to save the amount required by his release date, October 13, 2012.
